OK, that sounds fine to me.

Ex. 6 Personal Privacy (PP) and I have talked about updating the current "list" w/the category of "initial assessment" vs. "rework" but I'll check w/ Ex. 6 Personal Privacy (PP) if we have the automated reporting ability from JIRA for that to make regular updates to a webtable possible.

For tomorrow, I thought we could talk about redacted reports (referring to Ex. 6 Personal Privacy (PP)'s email) and HoF cases and the "list." She actually asked me to set up a whole meeting to discuss HoF cases but I thought we could at least start, tomorrow.

Do those two items sound okay?

I took a quick look and agree it looks good. I have two suggestions, both of which are based on the discussion with Ex. 5 Personal Privacy (PP). Since I'm only in the office a short time today, I didn't get a chance to add suggested edits into the document, but am putting these suggestions in email (I could make edits in the doc early next week if that would be useful):
